Usually last Friday in the month. No auction in July, Aug or Dec.

NOTICES

1. From now on, bidding sheets will only be sent out to those who bid by post, (& who actually use them), except by special request.
2. Please let us have your consignments for JUNE as soon as possible. The very final date for receiving them is MAY 22nd
3. We have started collecting large collections which are very expensive or too heavy to post. If you have anything like this you may be thinking about selling, or if you know someone who may be thinking along the same lines, then please let us know.
4. But remember any individual lot selling for £750 or more will be sold at 5% commission to the vendor.
5. As from April I will be listing 30-40 lots of 17th c Tokens each month. These are from one of the most well-known collectors of these items in the country & who has decided to let his collection go after 60 plus years of collecting them. I do not have many collectors of these tokens so if you know someone who may be interested in bidding for them, please give them my details.
6. As you know I have reverted to sending catalogues out free of charge but please note if I have not heard from you after six months you will fall off my mailing list & you will have to re-register. At that point you may be asked to make a small payment towards future catalogues.
7. Methods of paying KCA

CONDITIONS OF SALE

1. The auctioneer will sell each lot to the highest bidder and should there be any dispute, the decision of the auctioneer will be final.
2. Every attempt is made to describe and grade each lot with reasonable accuracy. All lots are graded by the auctioneer, whether the vendor has submitted his own grades or not.
3. Unless described otherwise, all lots are entered by the auctioneer in good faith as being genuine, ie not forgeries or replicas. If the buyer disagrees or has an issue with grading/condition, he/she must return item within 7 working days of the auction with a note giving reason for return. Returns received after this time will incur a £25 admin charge unless late returns approved by prior arrangement.
4. Estimates are printed in brackets after each lot. Reserves will be set no higher than the lower estimate. Bidders may bid under the estimate if they so wish.
5. Many lots are pictured on the website but if an item is not pictured, a bidder may request pictures to be emailed to him/her at a cost of £2.00 per picture. Due to pressure of work, picture requests cannot be fulfilled during auction week
6. The auctioneer reserves the right to consolidate or refuse any lot(s).
7. Please note that bulk lots are **not subject to approval** and refunds will not be made on any such lots returned.
8. The auctioneer will only act as agent between vendor and purchaser and will not be responsible for any dispute which might arise between them.
9. Bidding steps: £15 - £29 = £1 step, £30 - £78 = £2 step, £80 - £195 = £5 step, £200+ = £10 step. Minimum bid on each lot is £15, bids below that will be disregarded.
10. Vendors' Commission: 15% calculated on the sum total of vendor's sales. Exception is for GOLD BULLION lots where commission is automatically calculated at 10%.
11. No commission is charged on any unsold lot.

16. Unsold lots will be re-entered into a future auction(s) if the vendor so desires.
