409. Halfpenny 1718 dump issue. This is an unusually nice coin with a bold strike both sides which I am grading GVF. There is a little light corrosion just around the R of REX & some fairly minor rim imperfections, none of which unduly affect the overall appearance of the coin which has a rich chocolate tone. Rare as nice as this. Book price for VF is £225. (£150-180)
410. Halfpenny 1724. Attractively toned VF & very nice in the hand. There is a light scratch on bust & a flaw just behind the eye. On the rev the patterned edge is a mess as is often the case, with some areas missing but the actual edges are good. A little underlying lustre. VF book price is £155 but due to faults mentioned I have priced it to sell. (£60-70)
